### Structure of 2017 statement

On 01/01/2017 SPV split the Green Dot Fee into its two components (Compliance Fee and Trademark Fee).

As a result, the 2017 statement is divided into two separate statements:

The statement for calculating the Compliance Fee, where you must enter the weights of all packaging placed on the Portuguese market and covered by the agreement;

he statement for calculating the Trademark Fee, where you must enter the weights or numbers of packaging bearing the Green Dot Symbol placed on the Portuguese market.

Do not submit your statement without confirming that both statements are properly filled in.
